

Thanksgiving for the opportunity to support
the sharing of God's Gospel through
FPC Starkville's partnership with Mission India.

We recognize all those in whose honor and memory members and friends have given Easter Lilies for our worship to the glory of God and of the Risen Christ this Easter. As indicated on the Easter Lily Order Form and in our appeal, the surplus (above the cost of the lilies) from the Lily Gifts is going toward our Mission Outreach goal of supporting Mission India ministers beginning new congregations in India. Today, we share a wonderful Good News report: Between (a) the surplus of the Easter Lily gifts and (b) some members' generous giving toward this Easter Lily Mission Cause - we have received enough funds to provide fully through Mission India for the training and equipping of a new pastor through our mission partner, Mission India.

All six of the new church pastors FPC has sponsored over the past year have already begun at least one new congregation, and five of our six pastors have already begun two new congregations. Each of the six pastors has already reached at least five-hundred (500) family groups with the gospel, and each pastor has already baptized sixteen (16) or more new converts to the Christian faith.

Please pray for the new church pastor whom God will now equip through the gifts of this year's Easter Lily fund, and please continue to pray for the six new church pastors whom FPC presently sponsors.
