## 2019 Strategic Initiatives

### *Extra Giving Opportunity*

Two centuries ago, in 1819, Rev. Cyrus Kingsbury responded to God's call for a strategic mission to the Choctaw people and their neighbors in this region of the new State of Mississippi. In less than two years later, the faithful mission pastor and others followed through with building the first facilities for the Mayhew Mission and holding their inaugural worship service for the mission on May 6, 1821.

A decade later, as Rev. Kingsbury accompanied and pastored the Choctaw from his flock who were moving to Oklahoma, God called others from the Mayhew Mission fellowship to a new strategic initiative: forming our congregation and the first phases of providing a home and facilities for this new congregation. Through subsequent chapters of our church's history, faithful members of this congregation have responded with strategic initiatives – including (in the 1840's) choosing and acquiring the Sanctuary Hill on which our present Sanctuary sits, and (across the next 170 years) building and improving our facilities to serve their purpose: to glorify God and to facilitate his ministries through FPC.

**This year**, as we recognize the 200<sup>th</sup> Anniversary of Rev. Kingsbury's call to Mississippi and look ahead to Bicentennial (in 2021) of the start of what became our worshiping communion – God has opened a

new chapter in FPC's history. It is OUR time to be faithful in God's mission here for the future generations. Our Strategic Planning Committee is hard at work assessing current, pressing ministry needs (including for our growing Children's, Youth, College, Fellowship, and 21<sup>st</sup>-Century Communications Outreach Ministries) and finding strategic ways to update and make better use of our existing facilities.

### *Now it is our turn!*

Please pray and respond to how God is calling you to partner with us in in our **2019 Strategic Initiatives Extra Giving Opportunity** (*above and beyond regular tithe and offerings*). Help us make several cost-effective, high-impact renovations and updates to our building and technology so that our facilities can serve better their purpose: to glorify God at FPC and to facilitate ministry.

*Checks and other payments should be made to FPC and should simply come with a memo line (or other) notation "2109 Strategic Initiatives."*
